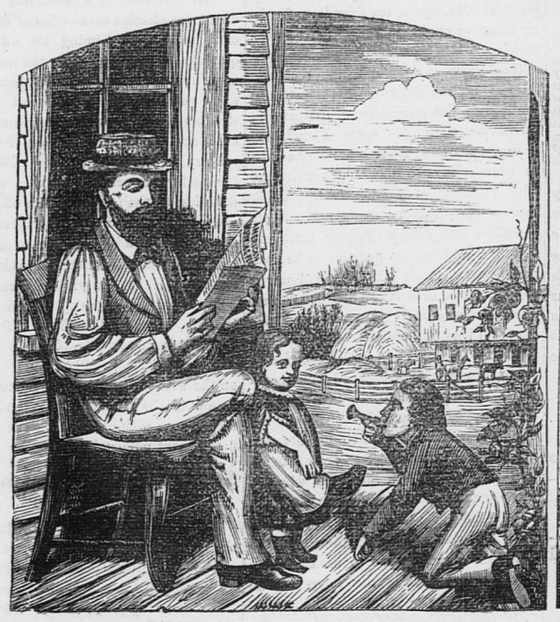
[From the American Working People, Pittsburgh, Pa.]

English and American Farmers.

Workingmen of America, look at your brothers in America and in England. Protection has stamped intelligence and thrift in the face of the one; free trade has stamped ignorance and listlessness on the countenance of the other. The child at the father's knee is full of childish intelligence; the child of the other gapes with a half idiotic stare from a comfortless cabin. One man is the proud owner of his home and farm and flocks; the other is the hired slave of a landed tenantry, who look upon and use their laborers as so many cattle. The one reads, studies, and comprehends all the great problems and events of the time; the other sits idle and careless, unable to read the appeal, "Laborers of England, Arouse," handed to him.



TARIFF TO THE AMERICAN FARMER.

The picture is beautiful and full of study. The one is the result of protection; the other of free trade. One speaks prosperity; the other poverty.

The agricultural laborer of England is a white slave. He lives in a hovel not his own, and cultivates land not his own. He is animated with no incentive to exertion. He does not feel the paternal pride our American fathers feel in making a happy home for their children. To-morrow, next week and next year hold out NO hopes of happiness to him. Old men before him toil on in hopeless drudgery, and young men behind him start in with no thought but to live and die lie human cattle.

Our broad, well cultivated country is the gift of a protective tariff. Our steam cars and steam vessels parade before us a never ending panorama of nature, rich in the wealth of well paid contented labor. Comfortable houses which sprinkle the valleys and plains of our broad land are the evidences of the thrift and prosperity of our tariff laws All can own their own homes. Rivers and railroads cobweb the country, on which we can carry to near markets the products of our labor, and bring to our doors what we need.

Within two years past the agricultural laborers of England have appealed to their masters for more of the rights belonging to men and for compensation belonging to labor. They have seen their fellow workmen in the iron trades demand and receive higher rates of wages, while they have been content to live on the meanest fare. They have grown to manhood without a home.

How can the agricultural laborer of England become an independent and intelligent citizen when the land on which he works and lives belongs to others. They drudge on from youth to old age without feeling that their labor will some day bring them to their own home. Their manhood is destroyed. They cannot read nor write in a majority of instances. All incentive to exertion for their personal improvement is removed, and hence they live on a listless, hopeless life.

Has England a right to maintain such a system of free trade as makes cattle out of her people?

Are English laborers made of poorer material than the laborers of other countries? We can say, No.

Tens of thousands of industrious, thrifty

FREE TRADE TO THE ENGLISH FARMER.

English farmers over our west, reply No. Once in a land where every man finds about him an hundred incentives to exertion their repressed energies find vent, and they become valued citizens and producers of wealth. They are coming to America as rapidly as they can acquire means.

We welcome them to our land of political liberty.

Workingmen of America, farmers, mechanics, all, your prosperity is in your own hands. It does LOT rest with kings or princes or parliaments or councils. It does not rest with legislatures or congresses or governors or presidents. It rests with YOU, each of you. What is the secret of industrial prosperity? It is this: that every man can sell the products of his labor.—Does free trade enable men to do this?—No. Free trade idles; free trade demoralizes; free trade brings men and women and children to poverty, because it deprives them of labor, and hence of the power to buy.

Free trade has reduced us as a nation three times to national bankruptcy. Protection has showered plenty of happiness over our land. It has reclaimed from the wilderness thousands of now smiling fertile farms. It has made glad tens of thousands of industrious people. It has built houses and railroads; it has filled barns and cellars; it has built school houses and churches; it has scattered wealth like a winter's snow.

A strong party in England are demanding a protective tariff. It will come sooner or later. Free traders in America are boasting they will bring America to free trade in four years. They will do it unless we are true to ourselves and the great principle of protection which has brought us to our present power and prosperity.

These are the points of protection. Let us hold fast to the men and principles which have wrought such wonderful results. It is our duty and our right.

That if any person, deprived of citizenship, and disqualified as aforesaid, shall, at any election hereafter be held in this Commonwealth, vote, or tender to the officers thereof, and offer to vote a ballot or ballots, any person so offending shall be deemed guilty of a misdemeanor and on conviction thereof in any court of quarter session of this Commonwealth, shall for each offence be punished in like manner as is provided in the preceding section of this act in case of officers of election receiving any such unlawful ballot or ballots.

SEC. 4. That if any person shall hereafter persuade or advise any person or persons, deprived of citizenship or disqualified as aforesaid, to offer any ballot or ballots to the officers of any election hereafter, to be held in this Commonwealth, or shall persuade or advise, any such officer to receive any ballot or ballots, from any person deprived of citizenship, and disqualified as aforesaid, such person so offending shall be guilty of a misdemeanor, and upon conviction thereof in any court of quarter sessions of this Commonwealth, shall be punished in like manner as provided in the second section of this act in the case of officers of such election receiving such unlawful ballot or ballots.

Particular attention is directed to the first section of the Act of Assembly, passed the 30th day of March, a. d. 1866, entitled "An Act regulating the manner of Voting at all Elections, in the several counties of this Commonwealth.

"That the qualified voters of the several counties of this Commonwealth, at all general, township, borough and special elections, are hereby, hereafter authorized and required to vote, by ticket, printed or written, or partly printed and partly written, severally classified as follows: One ticket shall embrace the names of all judges of courts voted for, and be labelled on the outside "Judiciary;" one ticket shall embrace all the names of State officers voted for and be labelled "State;" one ticket shall embrace the names of all county officers voted for, including office of Senator, member and members of Assembly, if voted for, and members of Congress, if voted for, and labelled "county."

Pursuant to the provisions contained in the 67th section of the act aforesaid, the judges of the several districts shall respectively take charge of the certificates or return of the election of their respective districts, and produce them at a meeting of one of the judges from each district at the Court House, in the borough of Huntingdon, on the third day after the day of election, being for the present year on FRIDAY, the 11th of OCTOBER, then and there to do and perform the duties required by law of said judges. Also, that whether the sheriff be absent or sickness or accident, is unable to attend such meeting of judges, then the certificate or return aforesaid shall be taken in charge by one of the inspectors or clerks of the election of said district, and shall do and perform the duties required of said judge unable to attend.

CONSTITUTIONAL CONVENTION.

At the same time and places, also, an election will be held for delegates to the convention to amend the Constitution of the State, in conformity with the Act, entitled "An Act to provide for calling a convention to amend the Constitution," approved April 11, 1872. As prescribed by said act, the following rules and regulations shall apply to said election, and the returns of the same:

First. At the general election to be held the second Tuesday of October next, there shall be elected by the qualified electors of the several districts, delegates to a convention to revise and amend the Constitution of this State: the said convention shall consist of one hundred and thirty-three members, to be elected in the manner following: Twenty-eight members thereof shall be elected in the State at large, as follows: Each voter of the State shall vote for not more than fourteen candidates, and the twenty-eight different Senatorial districts of the State, three delegates to be elected in each Senatorial district, and in choosing all district delegates, each voter shall be entitled to a vote for not more than two of the members to be chosen from his district, and the three candidates highest in vote shall be declared elected, except in the county of Allegheny, forming the Twenty-third Senatorial District, where no voter shall vote for more than six candidates, and the nine highest in vote shall be elected, and in the counties of Luzerne, Monroe and Pike, forming the Thirteenth Senatorial District, where no voter shall vote for more than four candidates, and the six highest in vote shall be elected, and six additional delegates shall be chosen from the city of Philadelphia, by a vote at large in said city, and in their election no voter shall vote for more than three candidates, and the six highest in vote shall be declared elected.

Third. The said election shall be held and conducted by the proper election officers of the general election districts of the Commonwealth, and shall be governed and regulated in all respects by the general election laws of the Commonwealth, so far as the same shall be applicable thereto, and not inconsistent with the provisions of said act.

Fourth. The tickets to be voted for members at large of the convention shall have on the outside the words "Delegates-at-Large," and on the inside the names of the candidates to be voted for, not exceeding fourteen in number.

Fifth. The tickets to be voted for district members of the convention shall have on the outside the words "District D legates," and on the inside the name or names of the candidates voted for, not exceeding the proper number limited as aforesaid; but any ticket which shall contain a greater number of names than the number for which the voter shall be entitled to vote, shall be rejected; and in choosing delegates to be chosen at large in Philadelphia, the words, "City Delegates," shall be on the outside of the ticket.

Sixth. In the city of Philadelphia the return judges shall meet in the State House, at ten o'clock on the Thursday next following the election, and make out the returns for said city, of the votes cast therein for delegates at large and city and district delegates, to be members of the convention; the return judges of the of the several election districts within each county of the State, excluding Philadelphia, shall meet on Friday next following the election, at the usual place for the meeting of the return judges of their county, and make out full and accurate returns for the county, of the votes cast therein for members of the convention and for district members of the same; and the proceedings of the return judges of the said city of Philadelphia, and of the several counties of the Commonwealth, in the making of their returns, shall be the same as those prescribed for return judges in the case of an election for Governor, except that returns transmitted to the Secretary of the Commonwealth, shall be addressed to that officer alone and not to the Speaker of the Senate.

F. JORDAN,
Secretary of the Commonwealth.

EXECUTIVE CHAMBER,
HARRISBURG, PA., August 27, 1870.

To the County Commissioners and Sheriff of the County of Huntingdon:

WHEREAS, the Fifteenth Amendment of the Constitution of the United States is as follows:

"SEC. 1. The right of citizens of the United States to vote shall not be denied or abridged by the United States, or by any State, on account of race, color, or previous condition of servitude."

SEC. 2. The Congress shall have power to enforce this article by appropriate legislation."

And whereas, the Congress of the United States, on the 31st day of March, 1870, passed an act, entitled "*An Act to enforce the rights of citizens of the United States to vote in the several States of this Union, and for other purposes,*" the first and second sections of which are as follows:

"SEC. 1. *Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That all citizens of the United States, who are, or shall be otherwise qualified by law to vote at any election by the people, in any State, Territory, district, county, city, parish, township, school district, municipality or other territorial sub-division, shall be entitled and allowed to vote at all such elections, without distinction to race, color, or previous condition of servitude; any Constitution law, custom, usage or regulation of any Territory, or by or under its authority, to the contrary notwithstanding."

"SEC. 2. *And be it further enacted*, That if, by, or under the authority of the Constitution or laws of any State, or the laws of any Territory, any act is or shall be required to be done as a prerequisite or qualification for voting, and by such Constitution or law, persons or officers are or shall be charged with the performance of duties in furnishing to citizens an opportunity to perform such prerequisite, or to become qualified to vote, it shall be the duty of every such person and officer to give to all citizens of the United States the same and equal opportunity to perform such prerequisite, and become qualified to vote without distinction of race, color, or previous condition of servitude; and if any such person or officer shall refuse or knowingly omit to give full effect to this section, he shall, for every such offence, forfeit and pay the sum of five hundred dollars to the person aggrieved thereby, to be recovered by an action in the case, with full costs and such allowance for counsel fees as the court shall deem just, and shall also, for every such offence, be deemed guility of a misdemeanor, and shall on conviction thereof, be fined not less than five hundred dollars, nor more than five thousand dollars, and imprisoned not less than one month and not more than one year, or both, at the discretion of the court.

And whereas, It is declared by the second section of the VI th article of the Constitution of the United States, that "This Constitution, and the laws of the United States which shall be made in pursuance thereof, shall be the supreme law of the land * * * * anything in *the Constitution or laws of any State to the contrary notwithstanding.*"

And whereas, The Legislature of this Commonwealth, on the 6th day of April, a. d. 1870, passed an act entitled, "A further supplement to the Act relating to elections in this Commonwealth," the tenth section of which provides as follows:

"SEC. 10. That so much of every act of Assembly as provides that only white freemen shall be entitled to vote or be registered as voters, or qualified for voting at any general or special election of this Commonwealth, be and the same is hereby repealed; and that hereafter all freemen, of full age, without distinction of color, shall be enrolled and registered according to the provisions of the first section of the act approved 17th April, 1869, entitled "An Act further supplemental to the act relating to the elections of this Commonwealth," and when otherwise qualified under existing laws, be entitled to vote at all general and special election in this Commonwealth."

And whereas, It is my constitutional and official duty to "take care that the laws be faithfully executed;" and it has come to my knowledge that sundry assessors and registers of voters have refused, and are refusing to assess and register divers colored male citizens of lawful age, and otherwise qualified as electors.

NOW THEREFORE, In consideration of the premises, the county commissioners of said county are hereby notified and directed to instruct the several assessors and registers in their districts, to do and perform all the requirements of said constitutional amendment and laws; and the sheriff of said county is hereby authorized and required to publish in his election proclamation for the next ensuing election, the herein recited constitutional amendment, act of Congress, and act of the Legislature, to the end that the same may be known, executed and obeyed by all assessors registers of voters, election officers and others; and that the rights and privileges guaranteed thereby may be secured to all the citizens of this Commonwealth entitled to the same.

VOTE the WHOLE ticket!

Tickets! Tickets!!

The Chairman of the County Committee is prepared to furnish the full Republican tickets. Call opposite the JOURNAL office. Call and get a supply.

Vote for Lane and Secure a Republican U. S. Senator.

Gen. Lane is in favor of a Republican United States Senator and a fair Congressional Apportionment. His opponent is pledged to work in the interests of the Democrats.

RAIN or shine, go to the polls!

No Trading! No Trading!

Republicans, do not allow any trading. The Democrats will trade the whole ticket—Governor, Auditor General, District Delegates, and the Independent County ticket—for Speer. Don't permit them to do it! Vote for Barker and the whole ticket and all will be well!

NO DUTY ON COAL.

This is what Speer's Vote for Gen. Morgan Meant.

Speer voted for Gen. Morgan for Speaker of the House, and Gen. Morgan voted for Free Coal. Coal Operators, can you vote for Speer? Vote for Barker!

SOLDIERS, vote as you shot!

Barker the Great Friend of the Laboring Man.

There has never been a day, since Mr. Barker located in Cambria county, that he has not devoted all his energies towards building up and developing that region. Thousands have enjoyed the fruits of his labors! Vote for Barker!

McNeil a Red-Hot Democrat.

Mr. McNeil is very anxious now to secure Republican votes, but last fall at the election, no one was more active than he to keep Republicans from voting and endeavoring to change their tickets. Republicans, Mr. McNeil is a red-hot Democrat and as such you have nothing to do with him. Vote for Myton.

Appoint Challengers.

Republicans, appoint challengers to stand at the windows to see that no fraudulent votes are polled. Let every ticket be examined before it is voted lest it be bogus! Bogus tickets will be as plenty as musketoes these warm nights. Examine every ticket and see whether it has Barker on it.

DON'T fail to go to the election!

An Explanation of that Check.

Mr. Speer Purchases a Delegate to the Republican County Convention to Defeat Mr. Blair.

HOW THE OLD THING WORKED!

There is a rumor on the street to the effect that the Democratic papers, of this place, are to publish a letter this week, from Jackson Enyeart, of Hopawell township, denying that Mr. Speer purchased his votes to defeat Mr. Blair in this county. This being the case we desire to place upon record the evidence upon which we have based the charges that have appeared from time to time in the JOURNAL.

Jackson Enyeart was elected a delegate from Hopewell township and presented himself in Huntingdon on Monday, the 12th day of August. In a conversation that day, he told us of his election as a delegate, but added that his seat would be contested, and his participation in the Convention would depend upon who would control the organization. We did not see Mr. Enyeart again until we saw him in the Convention. About 10 o'clock, A. M., of the 13th—the day of the Convention—Maj. H. S. Wharton stated to us that Mr. Enyeart had been to see him that morning, and that he had stated that *$250* had been offered him to vote for Prof. Guss. Who offered him the money we do not pretend to know, unless the sequel will show. Maj. Wharton assured Mr. Enyeart that if he came for the purpose of being purchased he had mistaken his man. Enyeart assured him that he had no such purpose, and that he would not take $500 and vote against him (Wharton.) But he declared that he had been offered that amount of money, and wanted Maj. Wharton to tell him "what to do about it!" Maj. Wharton advised him to take the money, and go into the Convention and expose the parties who had attempted to bribe him.

Just before the assembling of the Convention Mr. Enyeart met Mr. John T. Shirley, of Cove Station, Bedford county, and consulted him in regard to the matter. Mr. Shirley advised him not to take any money for his vote, stating that it would be a reflection upon him for all time to come. To this Enyeart replied that it was "*too late*," and at once **pulled out a check on the Union Bank of Huntingdon, drawn in his favor, by R. MILTON SPEER, for $150, dated the day after the Convention, which he said was given him by Mr. SPEER for the purpose of securing his vote for Prof. Guss that he might thereby defeat Hon. S. S. Blair.**

We stated above that we did not see Mr. Enyeart on Tuesday until the assembling of the Convention. Here we first recognized him when a vote was being taken on a proposition to allow the temporary Chairman to appoint a Committee on Credentials. He voted against the proposition. A few minutes later a recess was taken, and being in Mr. Enyeart's neighborhood, we stepped up to him and asked him how he came to vote against the proposition which was intended for his benefit, as we supposed his seat was, of course, to be contested. He informed us that the matter had all been "FIXED" and that he was about to vote the two votes of his township. We noticed subsequently that he voted in opposition to the Blair men. Here we might stop this narrative, and the evidence would be fully competent to convict Mr. Speer, we think. But there is more of it.

Mr. Enyeart held the check, in question, until the 26th of August, when he presented it to Mr. Speer, and that gentleman paid him $25 thereon, making this entry upon the face of it: "TWENTY-FIVE DOLLARS PAID ON THIS CHECK, 26 AUG., '72. SPEER." A few days later Mr. Enyeart presented the check to Capt. Eichelberger, at Saxton, and he cashed the remainder of it and forwarded it, with other deposits, to the First National Bank, where it was recognized as the check which was shown to John T. Shirley, Esq., on the day of the Convention. Here, then, is a straightforward narrative, without a broken link. How can it be answered? No evasive letters will do. But, for several days after the Convention, Mr. Enyeart made no attempt to conceal the matter, and told the fact to all who desired to know, but at last Mr. Speer find that it is working great injury to him and Mr. Enyeart must be brought out in an evasive denial. Persons who have seen the letter tell us that Mr. Enyeart denies that he received any money. Well, the check, it is true, was no money, but it represented $150, *and he got it!* If he had admitted in his letter that he had received a check from Mr. Speer in satisfaction of a claim, giving some plausible statement, but this he has failed to do. What was the check given for if not for the purpose above stated? We leave the voters to answer.

We make no reflection upon Mr. Enyeart. We do not know that he betrayed any trust, and if Mr. Speer could throw away money in this manner no doubt he thought he would be doing right to take it.

Begging for Speer!

The last *Globe* gets down on its marrow bones and begs like a very craven for Mr. Speer. Out upon such cowardice! Out upon such cringing! Be a man or mouse! Mr. Speer has set himself up as a dictator to both parties, and when the outraged Republicans and Democrats undertake to punish him for his over-reaching insolence we we have the most contempible exhibition of cringing. "Oh, shame, where is thy blush!"

☞ The Republican candidate for Register and Recorder is one of the most promising young men in the county. He is ably qualified for the position. Vote for Lightner!

☞ Republicans, David Hare is honest, capable, and deserving. The right man to take care of the county finances. Vote for Hare!

☞ The worst abused man in the state is our soldier candidate for Governor. But the man who stormed Fort Steadman can stand it. Vote for Hartranft!

WORK for the WHOLE ticket!

To the Polls! To the Polls!!

Republicans, Once More to the Rescue!

Republicans of Huntingdon county, with this issue of the JOURNAL we greet you for the last time before the final contest on next Tuesday. We have endeavored to pursue that course in the canvass which we believed best calculated to redound to the success of the entire Republican ticket, and now we hand the matter over to you, with the full assurance that you will finish the work by rolling up one of the largest majorities ever given in Huntingdon county for the entire Republican ticket!

Republicans, upon the election of Gen. John F. Hartranft and Gen. Harrison Allen, Judge Mercur and the Congressmen-at-Large, hinges the election of General Grant in November. Pennsylvania, it is conceded on all hands, is the battle ground, and as goes "Pennsylvania so goes the Union." This being the case, you will comprehend, in a moment, the responsibility which rests upon you. Are you prepared for it? If not, do not hesitate a moment! Gird on your armor and enter the fight with vigor! See that every voter in your immediate neighborhood is seen and supplied with the whole ticket! Let every man be got out to the election! Let arrangements be made to take out every dilatory, lame and feeble voter. This can be done by selecting a particular person to look after each particular case. A little attention to this matter will make several hundred votes in the county. Let challengers be appointed to watch every vote presented, and see that no fraudulent votes are polled. And especially see that no bogus tickets are voted. Counterfeit tickets will be at every poll; see that the tickets voted are the same as the ticket at the head of this paper.

And, now, a few words more: There is an Independent-Democratic ticket in the field! This ticket will be urged upon you because several of its members have heretofore been Republicans! WE CHARGE YOU TO HAVE NOTHING TO DO WITH IT. And SPOT THE REPUBLICAN WHO HAS! The Republican who votes this ticket now can ask nothing further at the hands of the Republican party, and must be considered as an enemy of the Republican cause. ALL GOOD REPUBLICANS WILL VOTE FOR THE WHOLE TICKET FROM TOP TO BOTTOM. To the polls! to the polls!!

Does Mr. Speer Support the Labor Reformers?

Mr. Speer, in his labored defence, in the *Monitor*, of week before last, alledges that we are "servile" because we have "made a base effort to prejudice the minds of those who are known as the Labor Reform party."—Ah, indeed! Is Mr. Speer in sympathy with the W. B. A.? Is he in favor of the Columbus Platform? Is he favorable to the election of Wm. P. Schell for Governor? Is he in favor of the Labor Reform County Ticket? Is it "servility" to say that he is not? Will the publishing of the like inevitably redound to the lasting discredit and infamy of its author? "Come, Mr. Speer, "hould up yer purty face and answer me that!"

The Globe's Opinion of Speer During the War.

"Politics make strange bedfellows." In view of this fact it would be very interesting, *if decency did not forbid it*, to publish the *Globe's* opinion of Mr. Speer during the campaign of 1862. In the editor's opinion his character was not as pure and *spotless* then as he would have his readers believe it now is.

Mr. Speer Can't Secure any Tariff Legislation.

What can Mr. Speer do in Congress, for the tariff, in opposition to his party? Send Mr. Barker there, and he will be in harmony with the majority, and if anything can be done he will do it.

General Lane Saves the County Thousands of Dollars.

Farmers, Mechanics, and Business Men, vote for Gen. F. H. Lane, who has saved you thousands of dollars by the judicious legislation that he inaugurated last winter. Vote for Lane!

How the People Regard It!

Hartranft inaugurated a reduction of the State debt that has enabled a reduction of the State taxes. Buckalew, looking to office for a livelihood, has drawn his living from the State for years, and seconded those acts whose consequences show in every tax-bill to-day.

What Has Cameron Done to the Globe?

The *Globe* is very bitter against Cameron. Grave Senator, what hast thou done to this man that he should bemaul thee thus? Hast thou refused to hearken unto his appeal for charities?

What Schuylkill will Do!

It is now expected that Schuylkill county, which is usually Democratic by about 1,500, will this year give Hartranft a clear majority on Tuesday next.

☞ M'Neil has evinced a wonderful zeal in the collection of his own fees but has neglected the interest of suitors in the collection of costs, amounting, in at least one case, to twenty dollars.

☞ There is no position in the county that requires a better man than that of the office of Director of the Poor. Michael H. Kyper is the right man for the place. Vote for Kyper!

☞ Our candidate for Register and Recorder is a gaaduate of one of the best Commercial Colleges in the country. Vote for Lightner!

☞ Mechanics, David Hare is the right man for the Commissioners' Office. He will see that the taxes are properly applied! Vote for Hare!

☞ Everybody will vote for Henry C. Madden for District Attorney! He is worthy of the compliment!

GET out every vote!

A Pen-picture of a "Rooster."

A. K. McClure the Political Mountebank.

In our allusion to A. K. McClure, last Saturday, we endeavored to speak truly and firmly of the politician and the man, which expression an anonymous communication on our table terms "harsh, and in a spirit with which no other decent Republican journal in the State would treat Col. A. K. McClure." Now, we had scarcely read this declaration, when, opening the Mauch Chunk *Coal Gazette*, we read the following article in its editorial columns:

A POLITICAL ROGUE.

We are informed that Aleck M'Clure will speak in Mauch Chunk during this canvass. M'Clure is the most rascally scoundrel in Pennsylvania politics. While a member of the Legislature some years ago, he led the army of lobbyists, at Harrisburg, in all their fights with honest members.—There was no trick too audacious, no steal too large, no jobbery too open for this man. He had a hand in everything. Last year he ran for Senator in the Fourth district. He got his seat through a Democratic committee headed by Charles R. Buckalew. M'Clure promised the Republicans repeatedly that if they would vote for him, he would not oppose General Grant's re-election. His subsequent action has proved what his word was worth. It other words it has proved him a liar. He lied for votes and got his seat in the Senate.—M'Clure is a leading Buckalew man as he is a leading Greeley man, and he is a leading scoundrel, gambler and public disgrace. He will not tell the truth if the opposite will do as well. We warn the people of Mauch Chunk to beware of this political impostor. Only last week in Philadelphia, the oily-tongued villain spoke of the workingmen of Schuylkill county as "incendiaries" and "dangerous demagogues." He alluded to the uniting of the Republicans and Labor Reformers in that county. As the same thing has been done in this county, we suppose he will have something to say of our workingmen. We give M'Clure notice that he had better run his tongue into a hornet's nest than come to Mauch Chunk and call the honest workingmen of this county "incendiaries." That he, Buckalew and Gowen are opposed to labor, their actions loudly confess, and that the workingmen are opposed to them, the October vote will tell.

What will our correspondent have to say in reply to the above? Is it too severe or truthful? In our judgment it is a graphic picture, a pen and ink sketch true to the life, and which ought to be circulated in all parts of the State. We repeat our declaration in a former article, "It is time the Republican press of the State unite to denounce this most stupendous of all the personal frauds from which we have suffered as a party and a people.—*State Journal.*

This bushwhacker, guerrilla and "rooster" will harrangue the people of this place next week, and we reprint the above truthful picture that they may know what manner of man he is.

Gov. Noyes, of Ohio, and General King, of Maryland, in Huntingdon.

On last Thursday night a large and respectable meeting was held in the Court House. T. H. Cremer, Esq., was made Chairman, and Thomas Fisher, Sr., and Gen. S. Miles Green Vice Presidents.

The speech of Gov. Noyes was one of the best of the campaign. It was an able vindication of the policy of the Republican party and an effectual answer to all the libelous and slanderous charges brought against the President and his friends.

Gen. King's speech was a terrible arraignment of Buckalew and his shortcomings during the war. Both speeches were listened to with marked attention, and interrupted frequently with outbursts of genuine enthusiasm.

At the close of Gen. King's speech Mr. Scott was called out, and in a few words told the meeting of the bright prospects throughout the State. At a late hour the meeting adjourned with the wildest enthusiasm.

A FORGERY.

Mr. Speer trying to get Mr. Morrell into the Canvass.

Mr. Speer is circulating a letter, we are told, purporting to be from Hon. Daniel J. Morrell in which the latter is represented as saying that *he is perfectly satisfied with the nomination of Mr. Speer and will act neutral as between him and Mr. Barker. We believe this to be a forgery. Mr. Morrel is not willing, we are confident, to take the responsibility for the defeat of Mr. Barker.*

Speer Votes for a Free Trade Speeker.

The Speaker of the House of Representatives shapes all the Committees.—Mr. Speer voted for a Free Trade Speaker of the last House, who, if he had been elected, would have appointed a Free Trade Committee of Ways and Means, that would have shaped all the tariff legislation. Consistency, thou art a jewel!

The Patriot and the Traitor!

Hartranft was holding the bridge over Antietam creek while Charles R. Buckalew was condemning the action of the government for its efforts to suppress the rebellion. Which man should be the Governor of a loyal State like Pennsylvania?

Buckalew, Yellow Fever and Small Pox.

Hartranft met the rebel challenge with equal and better arms, and fought to the hour of victory. Buckalew conferred with the rebel yellow fever, small pox agents in Canada.

☞ Michael H. Kyper lives convenient to the Poor House and can superintend it with very little extra cost. Vote for him!

☞ Democrats, vote for William E. Lightner for Register and Recorded. He is deserving.

☞ Speer gives his check to Rebublican Delegates, and Barker gives a different kind to Speer. Vote for Barker!

☞ The State tax has been removed from real estate at the suggestion of John F. Hartranft. Vote for him!

☞ Barton Green, a good accountant is our candidate for Auditor. He has no opposition! Everybody will vote for him!

☞ An empty sleeve commands respect. He that gives an arm for his country, deserves well at her hands. Vote for Myton!

☞ Farmers, see that David Hare get all the votes in your respective neighborhoods! He is the farmers' candidate! Vote for him!

No "complimentary votes"

Zentmyer on Speer Again.

The Purity and Prosperity of the Democratic Party the Subject Matter in Dispute.

Will the Democrats Sanction a Course which will Eventually Absolve them from Participating in the Selection of Candidates?

"There was too Much Monitor" in the Resolutions Read Before the County Committee.

The Monitor's Success is the Success of the Democratic Party.

Stand by the Right though the Heavens Should Fall.

HUNTINGDON, Sept. 26, 1872.

MR. EDITOR:—As this is the only way I can communicate with the public, I ask further indulgence. Some of Mr. Speer's friends, who acknowledge *his wrong*, have asked me to abandon my opposition to his election. Much as I would like to see this district represented by a Democrat—much as I regret this unpleasantness—I would say if this were only a personal matter, as many represent, I might do so. But those who make such representations are perverting the truth when they say it is entirely personal. Mr. Speer, his friends, and others know, or ought to know, that my opposition to him grew out of a public matter—they know, or should know, that the interest of the voters of this county and the purity and prosperity of the party is the subject matter of dispute. They know, or ought to know, it was other Democrats, in connection with myself, in our defense of the interest of the Democracy, which created the difference between Mr. Speer and those who were his friends, including myself. With us the question to be decided is not so much whether Mr. Speer is to be elected or defeated as it is whether or not the voters of this county and district will lend themselves willing instruments in affixing their seal of sanction to a course which, if continued, must eventually absolve them from participating in the selection of candidates. There are hundreds of Democrats of this county who know that they have seen at every convention, for some years, a few men who assume to exercise the prerogative of speaking for the whole party. These Democrats know it is the language of their hearts to have this matter stopped, so that there may be a fair expression of the voters of the party to designate their candidates.

It was to effect this reform that we interposed between Mr. Speer and one or two of his parasites in behalf of the interests of the Democracy of this county. It is because we did this, honestly believing we were right, that I was met with his public defiance and charged with opposing his election. True, as some say, it will cost us a Congressman. That may be, but it will cost us more some day if these things are suffered to go on unrebuked.—But if it is true, as Mr. Speer represents, that he is so desirous of building up the Democratic party in this county and district, why did he say "THERE WAS TOO MUCH 'MONITOR'" in the resolutions referred to in my first letter? Was he afraid its Editor might receive some encouragement? *Why has he represented that the editor of the Monitor was fighting him?* Why did he represent that the *Monitor* was in the hands of his enemies? Did he desire to prejudice the Democracy against it? Or does his fertile mind enable him to picture in the dim future a third party in this county, with another paper as its organ and its editor the fugleman of Hon. (?) R. Milton Speer?—These are things for the Democrats of this county to ponder over before they vote. I don't wish to do the gentleman injustice, but you know "straws show," &c.

Democrats, and even Republicans, may ask why am I so solicitous about the *Monitor* when it appeared by the last issue of said paper that the Editor said "that no man is or ever has been authorized by us to defend this paper," &c. This, so far as I am aware, is true, but Democrats and others know that the *Monitor* is the organ of the Democratic party; that its success is our success. And, if they will examine the files of the *Monitor*, during the war, they will see that when many of them were at home I had the interest of the *Monitor* in view when, without solicitation, over the signature of "Friend of the Monitor," I wrote its Editor an occasional friendly note from the "tented field" with a knapsack for my desk, for which sometimes I received the very mild epithet of a rebel to my country. I didn't believe it, nor did my friends. Now, because I have the interest of the people and the Democratic party in view, and in their defence am driven to hit R. Milton Speer, I am called by some of his favorites a rebel to my party and principles. I don't believe it, neither do my friends, or even my political enemies. When in the army, clad in the armor of a "Boy in Blue," I gave an occasional "shot" to the rear at those who would unjustly assail. Now I am clad in the full armor of a *Democrat*, battling for right and the success of the Democratic ticket, with these occasional "shots" at the Hon. (?) R. Milton Speer, who may be left in the rear for his unjust assaults. "Stand by the right though the heavens should fall."

Respectfully,

MILES ZENTMYER.

Vote for Honest Barker!

The people—the Republican voters of this Congressional district—understand Mr. Speer, and will vote for a man entertaining the same Republican principles with themselves, one who is honest, capable and worthy, and who will maintain and defend their rights and best interests in the Congress of the United States, and who is the warm and decided friend of the President and of the measures of the Administration of the general government, and that man is Hon. A. A. BARKER, of Cambria county, the Republican candidate for Congress. Republicans of Huntingdon county, vote for him, and thereby carry out and maintain your own cherished principles of protection to domestic industry and the rights and liberties of the whole people.

EXAMINE your tickets!

Pete M'Clure's Man Curtin.

The New York *Tribune*, of the 24th ult., says: "Governor Curtin is not of the material which can be wheedled or cajoled or corrupted." Indeed! We happen to know this wonderful man! We remember very distinctly when this prodigy thought that Lee's invasion of Pennsylvania was projected solely for the purpose of capturing the "Great War Governor," and his setting at Bedford Springs one night, with a boy operator, crying like a baby, not knowing what to do or whither to fly, until Col. Thomas A. Scott came and carried him off. He never moved the sixteenth part of an inch without the direction of Col. Scott or Col. M'Clure, or of both. He is as weak and unstable as water, and as completely in the power of M'Clure as that great Reformer (?) could wish. Don't tell us, Mr. *Tribune*, that Andy Curtin can't be "wheedled or cajoled"; we know better than that! He has not moved a peg, for years, without the consent of M'Clure, and hardly ever will. M'Clure has him in his pocket and will keep him there!

McNeil Didn't Volunteer During the War!

Mr. McNeil is a volunteer candidate for re-election to the office of Prothonotary, and is proclaiming his own good quallifications and *claims* for the same. He may be seen almost every day beseeching every voter he chances to meet on the streets and highways, and is particularly kind and bland to gentlemen from the country, importuning one and all of them to vote for him at the ensuing election, doubtless to the neglect of his official duties. The spoils of office and his eager desire of gain have induced him to make extraordinary exertions to retain his lucrative situation. He is, however, apparently sick with the prospect staring him directly in the face, that he will be badly defeated by the gallant, one-armed soldier, Thomas W. Myton. His fears will be fully realized on the second Tuesday of October, as the verdict of the people, on that day, will be for the man with one arm. The very air proclaims it unmistakably.

The Independent Ticket is a Democratic Dodge!

It turns out, as we predicted, that the Independent ticket is a square bargain and sale with the Democrats. *Every man on it is pledged to vote himself, and to secure the votes of his friends for Mr. Speer.* Republicans, will you lend yourselves to this kind of guerrillaism? Have you not had enough of this kind of thing? Do you want to keep up an eternal strife in the Republican party? Do two wrongs make a right? Act the part of men and Republicans! Stand by the ticket, and when your time comes the party will stand by you! Show the people of Pennsylvania that Huntingdon county discards guerrillaism.

Mr. Speer a Free Trader.

The Hollidaysburg Register says:

"If R. M. Speer be elected, and the Democrats place in nomination a Free Trade candidate for Speaker and other officers, judging from his vote two years ago, he will vote to place the organization of the House in the hands of Free Traders.—He must do it or be placed outside of the party. Then the committees, particularly that of Ways and Means, which has charge of the tariff, would be made up in the interests of the Free Traders, and what good would be the vote of Mr. Speer in favor of the tariff? After doing all he could in favor of British Free Trade by voting for a Free Trade organization of the House, and in effect killing protection, he might vote for a Tariff, when his vote would be of no avail! No. Let us elect Mr. Barker, who will vote for a Tariff organization of the House, and for protection in every shape and all the time. He is active, intelligent, competent, and will make a good member. Every friend of Grant, every friend of Hartranft, every friend of the Republican party, every friend of the Union, every friend of the soldiers, every soldier, and every man who was in favor of crushing the rebellion, will vote for Mr. Barker."

Speer for a Tariff to Get Votes.

We occasionally hear some Free Trade Democrat urge that Mr. Speer is as good a Tariff man as Barker. Fudge!—Mr. Speer would have voted and supported all the Free Trade measures of the last Congress if he had not represented an anti-Free Trade constituency. It wasn't safe for him to do so! If he did he was sure he would never be returned! This was conceded by his colleagues! He, however, voted for a Free Trade Speaker!

Vote for Myton!

We would have Republicans of Huntingdon county, remember that Thomas W. Myton, our candidate for Prothonotary, was a gallant soldier and left one arm on the battle-field, while his opponent, M. M. McNeil, was engaged, with the Northern wing of the rebel army, in giving "aid and comfort" to the enemy! Make a note of this before casting "complimentary votes."

Ten Millions of State Debt Paid!

Remember that General John F. Hartranft has been the Auditing Officer of the State for the last six years, and that during that period he has paid over TEN MILLIONS of the State debt. He will make a good Governor. He is an honest man and a brave soldier. He sprung from the people, and, therefore, understands their wants. Vote for Gen. Hartranft!

An Unmitigated Lie!

Certain persons, in the interest of Mr. Speer, in the lower end of the county, are circulating a report to the effect that Mr. Barker paid each of the Mifflin county Conferees ONE THOUSAND DOLLARS to secure his nomination! This is an infamous slander, coined by some designing scoundrel! It is an unmitigated lie! Beware of roor-backs!

Farmers, Go for Hare and Kyper!

Tax-payers, vote for David Hare and Michael H. Kyper, who are immediate representatives of the farmers, (who pay the great bulk of the taxes,) and your interests will be strictly guarded! Vote for Hare and Kyper!

☞ Look after the best interests of the indigent, aged and infirm by putting a good man in the office of Poor Director. Vote for Kyper!

☞ McCulloch and Sterrett our candidates for Delegates to the Constitutional Convention. Vote for them!

Go to the polls early!

Letter from Mr. Barker.

The Globe's "Outrageous Lie!"

HUNTINGDON, September 24.

EDITOR VOICE—The following letter was sent to the editor of the Huntingdon *Globe* for publication, but he alleges that it came to hand too late for this week's issue, and will have to remain over until next week, when it will appear in the *Globe*. As your paper is a Daily, and the only one in the District, will you please publish the same in the *Voice:*

EBENSBURG, September 23, 1872.

To Editor of the Huntingdon Globe:

Dear sir:—I find in the Huntingdon *Globe*, of the 17th inst., an editorial under the caption "Are honest voters of the district to be voted down by negroes from Maryland," in which you affirm that "negroes from Maryland and Virginia, are being brought into this district to carry the election," and that A. A. Barker, the nominee for Congress, has a hand in the disgraceful business." You further state that, "on Tuesday morning last, (the 12th inst.,) a squad of some fifteen negroes from Maryland, arrived in the early morning train at Altoona, where they were met by Mr. BARKER, and that he shipped them to the new railroad being made in the upper end of Blair county." You also state "that Mr. Barker was their employer."

The entire article referred to, is of the character indicated by the above extracts. In answer to every statement in it, attributing to me either acting indirectly or in concert with others, a design to bring fraudulent votes into this district, I pronounce it *false in every particular*, and without any foundation whatever. But the extravagance and absurdity of the charge preferred in the article is so flagrant that it cannot be entertained as truth, by any man of intelligence.

In reply, to the entire article, I need only call attention to the fact, known to every voter in the district, that no citizen of another State can vote in Pennsylvania until after a residence of *one year* therein.

Under this provision of our election laws, how absurd it is, and how insulting to the intelligence of the community to aver for truth, that a design is even entertained to import men from another State into this, and vote them after a few days' residence. To do so successfully would require that the election boards become parties to the fraud, in which case these officers would be liable to prosecution and punishment, by fine and imprisonment.

I do not think, Mr. Editor, you or even my most vindictive personal or political enemy can entertain for a moment, the idea that I could become a party to so absurd an attempt at fraud, as that imputed in your article. To do so would necessitate a forgetfulness of my obligations as a good citizen, and would make me chargeable with a want of common sense.

But, Mr. Editor, as to the specific charge preferred against me personally, I need only answer you and your readers, that I was not in Altoona, on Thursday, the 12th day of September, 1872. If I thought any honest voter could believe me guilty, I could easily prove an *alibi*.

Thus establishing my innocence, I have, how ever, said enough in reply to your article. I ask that you give this hastily written communication a place in your paper.

Respectfully,

A. A. BARKER.

EDITOR VOICE.—I have only to say that the editorial referred to in the Huntingdon *Globe*, is an OUTRAGEOUS LIE, manufactured without any founcation whatever and done, in my opinion for the purpose of defeating my chances for an election to Congress in this district.

Curtin at Home.

What His Townsmen Say.

"Our Great War Governor Has Sold Himself to the Enemy."

His Influence In Centre County Simply Nothing.

A Republican Mass Meeting was held in Centre county, on Tuesday evening, September 24. Four hundred wide awakes paraded the streets. Gens. C. E. Carr and Lemuel Todd were the speakers. The news of Curtin's acceptance of the Liberal nomination and his declaration for Buckalew was received as General Todd was closing his address. When the speaker concluded, Colonel W. W. Brown, editor of the Bellefonte *Republican*, a prominent politician and popular stump orator, was loudly called for. Being importuned to refer to Crutin's course, he said:

"I am proud to see so many of Centre county's voters here to-day; here, where we twice met to ratify the nomination of our own fellow-towsnman for Governor of this great Commonwealth. Here we met and planned and worked for his success. Here we celebrated the victory of our party in his election, the party that always stood by him and *made him what he is*, the party that gave him wealth and position. But I am here to say to-day that Andrew Gregg Curtin, our Andy, our boyhood's friend, our townsman, our great war Governor, has sold himself to the enemy, has nullified the principles he was once so proud to declare, has sundered the ties of a life-long friendship, and has gone begging to the mongrel party for office. Alexander McClure carries him in his breeches pocket. And I say here, but I say it reluctantly and with tears in my eyes, that in this act Andrew G. Curtin has damned, yes *doubly damned*, the honorable record which the Republican party gave him! [Applause.] Let the memory of him who has thus betrayed and basely insulted the party that gave him place and power be hereafter and forever damned, *damned*, DAMNED!" [Immense and prolonged applause.] Col. Brown seemed to express the sentiments of every Republican in the audience. Curtin's relatives are indignant, and not one of the name will vote with him. His influence in this county is simply nothing.

☞ We are directed by Harris Richardson, Esq., to say that the report in circulation to the effect that he was introducing and recommending one of the candidates on the Independent ticket is without foundation. On the train, on his way to Broad Top, to transact business for the county, he accidently met one of the Independent candidates in question and being acquainted with him he accompanied him a portion of the way, but he did not reccommend him to voters nor introduce him only as a courtesy. He authorizes us to say that he is for the regular republican ticket from top to bottom.

☞ Hon. James Thompson decided, in the celebrated Kerr case, from Mill Creek, in this county, that a railroad was only liable for the building which it actually set on fire and not for any other buildings to which the fire might communicate. Chief Justice Lawrence, of Illinois, pronounces this doctrine simply monstrous. Vote for Mereur!

☞ While Gen. Allen was helping to fight the battles of his country, Hartley was discouraging Union men and denouncing the administration. Vote for Allen!

The Copperhead Calumnies.

Statement of C. T. Yerkes.

Gen. HARTRANFT VINDICATED

FORGED AFFIDAVITS, FALSEHOOD, SLANDERS AND GENERAL RASCALITY.

The following statement was made voluntarily, yesterday, by Chas. T. Yerkes immediately upon his release from prison.

This statement was prepared and written by Mr. Yerkes himself, last night. It is purely and solely his own work. No one but he knew what the document would contain.

MR. YERKES' STATEMENT.

In coming before the people with this explanation, which relates to the charges against Gen. J. F. Hartranft, late Audit.r-General, and now a candidate for Governor of this State, and R. W. Mackey, State Treasurer, of having used through me the money of the Commonwealth in stock speculations, and for their private needs and benefit, it is my desire to make some plain statements which the public demand, and which I believe it not only their right to have, but my duty to them and myself to give.

I wish to say here, lest some wrong construction be placed upon my motives for so doing, that this action on my part is without consultation with or promise from any one; without any inducements held out to me, and without fear or favor. It is free from all malice or feelings of resentment. I leave those who have wronged me to their own reflections. It is simply for the reasons set forth above, and to do justice to those who have been unrighteously villified. I do not intend to enter into any personalities at the present time, other than what will be necessary for a clear understanding of the matter.

While a victim has been made of me, dupes have been made of others by a few designing men, who used everything and everybody within their reach for the purpose of circulating and publishing assertions and statements which were false in the extreme, with the object of breaking down the character of General Hartranft, in the hopes of thereby preventing his election, which they felt assured would insure silence in regard to, and a settlement of their nefarious transactions. This was to be brought about principally by

DR. PAINE,

who, as my financial affairs were under the control of Mr. Joseph Mason, Register in Bankruptcy, obtained from that gentleman an order to examine my books and papers, representing himself to be counsel for Mr. M. W. Taggart, of Lancaster county. It was under this disguise that he visited my office and surreptitiously obtained letters and memorandums of accounts—from which the various misrepresentations were manufactured—with the views of compelling General Hartranft and Mr. Mackey to settle the Evans claims, in which he (Paine) is so deeply interested.

In the following statement I shall not only give my own testimony of the facts in the case, but that of others, which shall be undeniable:

The public have for a long time demanded to know the truth as to the authenticity of a certain affidavit alluding to General Hartranft's alledged malfeasance in office, and which bears what purports to be my signature: copies of which, both photograph and lithograph, have been widely circulated for political purposes. In regard to this I state that THE SIGNATURE AFFIXED THERETO IS NOT MINE; that I never made any such affidavit; and, if sworn to at all (which fact I have no good reason to doubt, as it asserted it was sworn to in my name), it was not sworn by me

In confirmation of this I subjoin the following certificates of officers of banks, where my signature is lodged, and other persons who are well acquainted with it:

We, the undersigned, familliar for a number of years with the signature of Charles T. Yerks, Jr., have duly examined the photographic copy of an affidavit purporting to be made by him before Alderman Dougherty, under date of December 23, 1871, with reference to use of State funds by General Hartranft for speculative purposes, and have no hesitation in saying, from ourknowledge of Mr. Yerkes's signature, and on comparing it with those in our possession, that said signature to the affidavit is not his, and was never written by him.

SAMUEL W. BELL,
Of the Farmers, and Mechanics' National Bank.
WILLIAM J. DOWNS,
Of the First National Bank.
GEORGE C. THOMAS,
Of Jay Cooke & Co., 114 S. Third street.
ALEX. ERVIN,
President of the Seventh National Bank.

I am well acquainted with the signature of Charles T. Yerkes, Jr., having had charge of the exchange department in the banking-house of C. T. Yerkes, Jr. & Co. for saveral years.

I have seen a lithograph copy of an affidavit casting a stigma on General Hartranft, the same that is being circulated for political purposes, and have not the least hesitation in saying that it is not the signature of Char. T. Yerkes, Jr.

Tickets to be Voted at the Oct. Election.

Prepare Your Ballots with Great Care!

By the laws of this commonwealth, in those counties where several candidates are voted for on one piece or slip of paper, all candidates for State offices are to be voted for on one ticket with the word "State" on the outside. All candidates for county offices, including state senator and members of assembly, and members of congress, including those at large, on one ticket, with the word "county" on the outside: and all candidates for judical offices on the ticket with the word "judiciary" on the outside.

In accordance with these provisions, the names of the candidates for governor and auditor general will be printed on the ticket headed "state;" the names of the candidates for judge of the supreme court, as well as those for judges of the court of common pleas, district court, and associate judge, on a ticket with the word "judiciary" on the outside; and the names of all candidates for senator, representatives, members af congress (including those at large), and for all county offices except judiciary, on a ticket with the word "county."

In addition to these three tickets, the act of April 11, 1872, provides that candidates for delegates at large to the constitutional convention shall be voted for on a separate ticket, having on the outside the words "delegates at large," and that candidates for district delegates to said convention shall be voted for on a separate ticket, having on the out side the words "district delegates."

By another act of assembly, approved April 11, 1872, an additional ticket will have to be voted for or against the proposed amendment to the constitution, with the words on the outside "amendment to the constitution."

There will consequently be six tickets to be printed:

1. One headed "state," containing the names of candidates for governor and auditor general.

2. One headed "judiciary," containing the names of candidates for judge of the supreme court, and all other judical offices to be filled in each county at this election.

3. One headed "county," containing the names of all candidates for county offices, together with senator, members of assembly, and members of congress at large and district members of congress.

4. One headed "delegates at large," containing the names of candidates for delegates at large to the constitutional convention.

5. One headed "district delegates," containing the names of candidates for delegates from each senatorial district to the constitutional convention.

6. One headed "amendment to the constitution," containing votes for or against the proposed amendment to the constitution, relative to election of state treasurer.

These regulations do not apply to the city of Philadelphia, not to a few counties for which special provision is made by law, but to all other counties, and we have jointly agreed upon the foregoing to secure uniformity in the printing of ballots by both parties.

HOW MR. SPEER FAVORS PROTECTION.

He would be Just as much of a Free Trader, as any other Democrat if there was a Chance for Re-election!

The Tyrone *Herald*, of the 28th ult., says:

Is R. M. Speer a free trader? We answer, yes! It is well known in Washington that he was always counted with the free traders, although he voted with the protectionists. The secret is this: Speer told the Democrats in caucus that he was just as good a free trader as they were, but to vote with them would kill him politically in his district. It was then agreed that he should vote with the tariff party, as there was a majority of tariff men in Congress, because to do otherwise, would destroy his chances for re-election. This being the case, how would he record his vote in case the House was a tie and he had the casting vote?

The Business Men of the State Stand by Hartranft.

We have yet to hear a single banker, merchant, or head of a great corporation, doing business with Gen. John F. Hartranft as Auditor General of Pennsylvania, impugn his honor, or in the remotest degree charge that he has failed in any instance to do his full duty as a man and a citizen. Those who do this are pot-house politicians, or lobby-men who never advocate a fair measure.

☞ Hon. James Thompson says that a railroad is only liable for the building which it actually set on fire. Chief Justice Lawrence, of Illinoise repudiates their outregeous doctrine of the corprration candidate. Vote for Mercur!

☞ Gen. Charles Albright, one of our candidates, for Congressmen at large, many years ago married one of this counties fair daugheers. He has a claim in old "Old Mather Huntingdon." Vote for Albright!

☞ The election of a United States Senator and the passage of the Congressional Apportionment Bill are to be part of the duties of the next Legislature. Vote for a Republican—Vote for Gen. Lane!

☞ While brave men were fighting the battles of their country. Hartley reproached their wifes and friends for leaving them go. Vote for Allen!

☞ Workingmen, vote for Barker, who keeps hundreds of men constantly employed, and who knows your wants and interests! Vote for Barker!

☞ The Workingmen, everywhere, are enthusiastic over the nomination of Hon A. A. Barker. Vote for him, without fail!

☞ Gen. Lane is not indentified with either of the factions of the State. He is an earnest Republican. Vote for Lane!

☞ Hartley almost rubbed bunions on his hands at reported Reble victories, during the war! Vote for Allen!

☞ Remember, that the popular collection law, now in use was passed by the efforts of Gen. Lane. Vote for him!

The Workingmen Speak!

The Labor Reformers are Aroused!

Why They Cannot Support Mr. Speer!

A LABOR REFORMER'S REASONS!

Messrs. Editors:

As one who claims to be a Reformer, I intend to give a few reasons why I and every Labor Reformer and Workingman in this Congressional district should support A. A. Barker in preference to R. M. Speer.

1. Because we, as Reformers, are opposed to any one who lives off the honest toil of others without rendering an equivalent.

2. Because we find R. M. Speer placed in society as a non-producer, while A. A. Barker belongs to the industrial classes and earns his bread by the sweat of his brow.

3. Because R. M. Speer denounced the Reform movement in your city.

4. Because R. M. Speer proved himself a coward in not entering his protest against the importation of Chinese Coolies.

5. Because R. M. Speer said without equivocation, that "Capital would protect Labor so long as Capital was protected by law," an assertion, we denounce as entirely untrue and that has no room in any country except in that of a Despot.

6. Because I am one who bent the knee before high Heaven and swore never to rest until Justice was done the Workingmen of this country, so far as lay in my power, to emancipate the millions who to-day struggle for a mere subsistence, while the few roll in wealth, wrung from the hard earnings of the producers of this nation who are looked upon as the sub-stratum of society.

7. Because I know that A. A. Barker stands squarely on our principles while R. M. Speer denounces us as agraians and wild in our theories.

8. Because R. M. Speer dare not meet us on the sump and offer honest arguments against our principles, thereby proving himself a coward and capable of resorting to any low, mean, skulking subterfuges to elevate himself to office.

9. Because R. M. Speer says Workingmen should never seek to gain their rights by political action, when every act of our lives is either political or impolitic. If the rights of a people of a nation are not secured and maintained by political action, how is it we find Democrats and Republicans both declaring they will bring greater prosperity to the People, when in reality there is not one practical of difference between them?

These are my reasons, Messrs. Editors, and I claim to understand the Labor question thoroughly, and am ready to meet any man in this Congressional district, on that question, either on the stump or in the press. It is my earnest desire that all men would look at this question in its true light, and cast off the chins of party and become Freemen in deed as well as in name. and show the world that while a party nationally can lay aside its prejudices, that we, as Workingmen, who bear the whole burden of Governments, can cast aside our sectional prejudices and cast our vote for one who is to-day obeying the Divine decree, and while doing so, we will be relieving society of at lest one leech who feels he should grow from the life-blood of the People.

"The JOURNAL calls upon the Democrats to defeat the Independent ticket. That's cool."—*Globe.*

Well, neighbor, is it any "cooler" for us to ask Democrats to defeat the Independent ticket than it was for you to set up a ticket for Democrats to vote before you were warm in the party? Now, wasn't it just the least bit of presumption on your part, having just gone over, you know, to manufacture a ticket for those who had always stood by the old Democratic ship? A great many Democrats think that it was, and call it the "MULE TICKET!" by way of showing their contempt for it. "The *Globe's* MULE TICKET!" What a name! How "cool!" "MULE TICKET!" Ha! ha!! ha!!! How appropriate!

Mr. Speer Flatters the Soldiers to Get Votes.

Mr. Speer, anxious to catch the vote of soldiers, introduced a bill into Congress to pay $33.00, which is due a number of veterans, but for some unaccountable reason, failed to have it passed. For this effort he wants soldiers to vote for him. If he had rendered them some service, then he might have some good reason for his expectations, but as it is, he has no claim upon them. Mr. Barker is not only in favor of this bill, but he is in favor of giving each soldier 160 acres of land, to do with it as he pleases, without a personal residence upon it. Elect Mr. Barker who will be in harmony with the majority, and he will carry the measure through. No Democrat can!

WATCH the polls!

☞ TAX-PAYERS, REMEMBER that you pay no taxes on REAL ESTATE, and for this relief you are indebted to John F. Hartranft!

Mr. Speer During the War.

He Controls a Copperhead Paper!

Mr. Speer's slander of Gen Hartranft, says the Blair county *Radical*, was not done in the heat of debate, without deliberation, as some of his Democratic friends wish to make believe: but it was his deliberate purpose and is but an expression of his hatred of the Union Soldiers. In 1863, while he was part owner and editor of the Huntingdon *Monitor*, that journal teemed with abuse of the Soldiers, and he spared not even those from his own home. He denounced a regiment partly raised in his own county as an UNHOLY MOB and heaped upon them every vile slander. The following taken from a Huntingdon correspondent of the Philadelphia *Press*, of the 1st of June, 1863, will show what were his sentiments then:

"The *Monitor* has been published since last August, and has been a violent anti-Administration paper, denouncing its war measures, and endorsing Vallandigham as a true Democrat, besides frequently publishing articles to offend the Union Soldiers in the field. The paper was distributed free of charge amongst the men of the 125th Regiment, under Gen Hooker. Four companies of this Regiment were from this place, and I have been informed by members of the regiment that the men determined before they left the army, to destroy the office as soon as they should arrive at home. One article in the *Monitor* published some three weeks ago, denounced the Regiment as an UNHOLY MOB. The four companies arrived at home early on Wednesday morning last, May 27. About 10 o'clock a dozen or more of the soldiers entered the office and in less than half an hour the press, type and every thing else, was thrown into the street and destroyed, and the office sprinkled and swept out."

Director of the Poor.

Republicans of Huntingdon county, we would call your attention to the importance of electing MICHAEL H. KYPER, the regular nominee. He is in every way qualified for the position and a better selection could not have been made in the county. He is honest, capable and reliable in every way, and you always know where to find him. Not like his competitor, who was, but a short time since, leader in his section in the Democratic party, then came over to the Republicans, and failing to rule and control them at will, we find him again on the war-path, a standard bearer for his old party in a guerrilla warfare.

Vote for Mr. Kyper whom we all know to be true, and who lives close to the Alms House, where he is needed, and what will be saved on mileage will pay his salary.—Vote the ticket, the whole ticket, and nothing but the ticket, and you will all sleep better in future, and *Independent guerrillas* will get such a rebuke as their conduct richly merits.

"LOWER END."

What Gen. Burnside Says.

General Burnside, in his speech to the soldiers at Pittsburg, spoke of Gen Hartranft as follows:

"Comrades of Pennsylvania, I desire to express to you a hope that comes from my heart. General Hartranft, your candidate for Governor, is my old comrade and tried friend. He went in the field with us at the first battle of the war and joined the North Carolina expedition at Annapolis. From that time until the end of the war we were together. On all the fields—Roanoke, Newbern, South Mountain, Antietam, Fredericksburg, Vicksburg, Knoxville, Campbell Station, Blue Springs, the Rapidan campaign, from the Wilderness to Appomattox Court House—he proved himself an efficient and gallant soldier. Comrades of Pennsylvania, it is clearly your duty, without reference to politics, to see that so gallant and true a comrade is not harmed by the malicious slanders of designing politicians. You have but a moment to think of the course pursued during the war by his opponent, Mr. Buckalew, in order to find the strongest reasons for the firm support of Hartranft."

Read this merited eulogium, soldiers of the Pennsylvania line, and see to it that a gallant comrade is not stricken down by the "malicious slanders" of his enemies.

W. H. WOODS, ESQ., ON THE STUMP!

Huntingdon County sure for Barker and the Whole Ticket!

On Friday evening the 20th ult., a large and enthusiastic Republican meeting was held in Caldwell's Hall, Tyrone, which was addressed by Prof. Guss, Hon. A. A. Barker, G. W. Plummer and W. H. Woods, Esq. The *Herald* reports Mr. Woods as saying that he in consequence of the late hour, had but time to assure the people that HUNTINGDON COUNTY WAS SURE FOR BARKER, AND THE WHOLE TICKET, AND THAT IF THE PARTY IN HUNTINGDON COUNTY WOULD WORK AS HE AND HIS FRIENDS ARE DOING, BARKER WOULD COME OUT OF THAT COUNTY WITH NOT LESS THAN EIGHT HUNDRED MAJORITY.

A Rousing Republican Meeting in Clearfield County.

On last Wednesday night one of the largest and most enthusiastic Republican meetings was held at Clearfield, much surpassing in numbers and enthusiasm the Democratic meeting of the night previous. Clearfield county will do nobly at the coming elections. We doubt whether she will give half the usual majority for Greeley. The good and true Republicans are very much chagrined that the State Central Committee should pay so little attention to a section of so much promise. We are assured, however, that no efforts will be spared by the local politicians to work up the Republican cause to its fullest measure. Lookout for a splendid report from Clearfield!

Vote the Whole Ticket!

Make no other calculation than to vote the *whole* Republican ticket. Every man on it, from Governor to Auditor, is worthy of your undivided, hearty, zealous support.

☞ "For General Hartranft we have nothing but praise. He was a gallant soldier, and he has been a faithful official.—He is a Radical Republican, and would make a good Governor."—JOHN W. FORNEY.

☞ Hon. James Thompson is the corporation candidate for Supreme Judge. He is owned body, soul and breeches by the corporations. Vote for Mercur!

☞ Don't fail to vote for Messrs. Lemuel Todd, Glenni W. Scofield and Charles Albright our candidates for Congressman at large.

☞ John F. Hartranft wants the Forney's to disgorge $6,000 consequently they howl like hyenas. Vote for Hartranft!

☞ Vote for Dr. John McCullough and Dr. John P. Sterrett for Delegates to the Constitutionat Convention.

☞ A full vote will give us victory on next Tuesday. Turn out!

WORK all day!

Speer's Support of the Tariff.

He Votes for a Free Trade Speaker.

Mr. Speer has been leaving no stone unturned to make the Republicans and Tariff Democrats of this District believe that he is as good a tariff man as Hon. A. A. Barker. Bah! He voted for Gen. Morgan, the Democratic candidate for Speaker, whose election would have settled the tariff status of the Committee on Ways and Means. Without an approval of this Committee no tariff legislation could have been effected, but Gen. Morgan was defeated and a fair Committee appointed.—On reference to the Congressional *Globe* we find *that Gen. Morgan voted for Free Coal.*

What do you think of this, Coal Operators of Broad Top and the Allegheny?—Here you have Mr. Speer's consistency. Vote for Barker!

☞ Mr. Barker is emphatically a man of the people. Mr. Speer is an "oily gammon" politician! Vote for Barker!

☞ Gen. Hartranft has paid TEN MILLIONS of the State debt since he has been in office. Vote for Hartranft!

☞ Hon. Ulysses Mercur is one of the most able Lawers in the State. Vote for Mercur!

☞ See that every Republican is at the polls on Tuesday. Let every vote be polled!

☞ Speer pretends to be a tarifi man, Barker is kuown to be such, Vote for the latter!

☞ William E. Lightner is popular with all parties. Vote for him!

TEMPERANCE MEN SHOULD VOTE THE REPUBLICAN TICKET—DON'T BE DECEIVED BY A LIBERAL MOVEMENT.—*Mr. Editor:*—Will you permit me, through your excellent paper, to urge the Republicans of our county to come out to a man to the support of our ticket? It is admitted by the leading Republicans of the county that we have the best ticket, taking it all through, that we have had for years, and as a temperance man myself, I would advise the temperance men of our county to abandon the idea of voting for a temperance ticket without the least prospect of electing it. I believe, to say the least of it, that it is a sin that you and I will have to answer for. Now, our ticket is nearly, if not altogether, made up of temperance men. We know Gen. Lane to be a good temperance man, and he should have the support of every Republican in the county. Will we not do far more good for the cause of temperance by voting for the entire Republican ticket, that certainly will be elected, than to cast our votes for one that we are certain will not be; and thus injure our cause and give strength to our enemies? The contest before us is a very important one, and I do hope that no Republican in our county will suffer himself to be deceived by this so-called Liberal party. The very fact that every rebel in the South, from Jeff. Davis down, is in sympathy with this party, should satisfy every conscientious man that he should oppose it.—They approach us with all the guile that the serpent did our first parents, and say to us, 'forget the past, and let by-gones be by-gones.' Now, I say that we have no right, as Christians, to forgive those rebels until they show some signs of repentance, and this they have never done. All they want is the power, and they are just as full of rebellion to-day as they were in 1860. And no doubt the Kuklux who are incarcerated in Southern prisons to-day are looking forward to the election of Horace Greeley with bright prospects, hoping that he may relieve them as he did Jeff. Davis. But we have no fears that Horace Greeley will ever be elected, unless God desires it for to scourge us, but we do hope and pray that He has no such thing in store for us.

Now, in conclusion, I would say to every Republican in the county, turnout on the day of election and vote for every man on the ticket, and let us all have a part in forever putting out of existence this nefarious Liberal Rebel ticket, and for the present let the temperance ticket go "where the woodbine twineth." A REPUBLICAN.

HOW TO GO WEST.—This is an inquiry which every one should have *truthfully* answered before he starts on his journey, and a little care taken in examination of Routes will in many cases save much trouble, time and money.

The "C. B. & Q. R. R." running from Chicago, through Galesburg to Burlington, and the "I. B. & W. Route," running from Indianapolis, through Bloomington to Burlington, have achieved a splendid reputation in the last two years as the leading Passenger Routes to the West. At Burlington they connect with the B. & M. R. R. and form the great Burlington Route, which runs direct through Southern Iowa to Nebraska and Kansas, with close connections to California and the Territories; and passengers starting from Huntingdon county, on their way westward, cannot do better than to take the BURLINGTON ROUTE.

This Line has published a pamphet called "How to go West," which contains much valuable information; a large correct map of the Great West, which can be obtained free of charge by addressing the General Passenger Agent, B. & M. R. R. Burlington, Iowa.

PERHAPS no real medicine ever gained the rapid popularity which Castoria has done. One person relates their experience of its good effects to another. It is a vegetable preparation, perfectly harmless, pleasant to take; does not distress or gripe, but regulates the system, and is sure to operate when all other remedies have failed. Any person who has ever used Castoria for Stomach Ache, Constipation, Croup, Fatulency, Worms, Piles, or deranged Liver, will never again use nauseating Oil, Bitter Pills or Narcotic Syrups. The Castoria contains neither Minerals, Morphine nor Alcohol. By its soothing, quieting effect it produces natural sleep, and is particularly adapted to crying and teething children. It costs but 35 cents, and one bottle will save many dollars in doctor's bills. sept.11-4t

GRAND REPUBLICAN

MASS MEETING,

AT THE COURT HOUSE,

IN HUNTINGDON,

WEDNESDAY EVENING, OCT. 2.

COL. CLARK E. CARR

and COL. J. F. MANNING.

Two able and eloquent speakers will address the meeting. Democrats, Liberals and all others are invited to attend.

GRANT AND WILSON—HARTRANFT AND ALLEN.—We propose holding meetings at the following named times and places. The best speakers to be obtained will be in attendance and address these meetings. The "Tidal Wave" or "Ground Swell" which was to have swept across the continent and carried the Sage of Chappaqua into the White House, has failed to come to time, and we now find Horace Greeley floundering about with no organized party at his back, whilst Gen. Grant sails along calmly and smoothly toward the coveted prize, with scarcely a riffle to mar the way.

Republicans, we have been victorious on every side. All eyes are turned to Pennsylvania, which is to be made the battle-ground in the contest. Huntingdon must do her full share of the work. Our friends are earnestly urged to make these meetings large and enthusiastic. See that nothing is left undone. Work, work, prompt, quick, active work is what we want, and the result is assured.

The mill has a splendid custom, with water enough to run two pairs of burs, day and night, nine months of the year. All the grain can be bought at the mill that can be used, as the country surrounding is a splendid grain producing country. The mill is in good running order, has three run of stones. The ground that goes with the mill has about sixty choice apple trees planted on part of it, just commencing to bear.

Persons desiring to purchase a mill property will do well to examine this one. Possession will be given on the 1st of January, 1873, if desired.—Any person desiring to purchase can call at the mill and examine it.

Dr. Wengert's Hepatica Pills

are an Alternative Cathartic, and can be used for an ordinary Cathartic or Physic, and should always be used in connection with the MOUNTAIN HERB BITTERS in severe cases of Fever and Ague. We know that there is continually being palmed upon the people some *wonderful* preparation that is without merit or virtue, therefore the people lose confidence in preparations that do possess virtue. Yet it would certainly be unwise and unreasonable to condemn all the various remedies offered to the public because some are disgraceful humbugs. All we ask is for you to give

a fair trial, and if they are not deserving of your praise and confidence, then denounce them in your strongest terms.

Sarsaparillian Resolvent has made the most astonishing cures; so quick, so rapid are the changes the body undergoes under the influence of this truly wonderful medicine, that every day an increase in flesh and weight is seen and felt.

The Great Blood Purifier.

Every drop of the Sarsaparillian Resolvent communicates through the Blood, Sweat, Urine, and other fluids and juices of the system the vigor of life, for it repairs the wastes of the body with new and sound material. Scrofula, Syphilis, Consumption, Glandular disease Ulcers in the Throat, Mouth, Tumors, Nodes in the Glands and other parts of the system, Sore Eyes, Strumous Discharges from the Ears, and the worst form of Skin Diseases, Eruptions, Fevar Sores, Scald Head, Ring Worm, Salt Rheum, Erysipelas, Ache, Black Spots, Worms in the flesh, Tumors, Cancers in the Womb, and all weakening and painful discharges, Night Sweats, Loss of Sperm, and all wastes of the life principle, are within the curative range of this wonder of Modern Chemistry, and a few days' use will prove to any person using it for either of these forms of disease its potent power to cure them.

If the patient, daily becoming reduced by the wastes and decomposition that is continually progressing, succeeds in arresting the wasts, and repairs the same with new material made from healthy blood—and this the Sarsaparillian will and does secure.

Tot only does the Sarsaparillian Resolvent excel all known remedial agents in the cure of Chronic, Scrofulous Constitutional, and skin diseases; but it is the only positive cure for

Kidney & Bladder Complaints,

Uniary and Womb diseases, Gravel, Diabetes, Dropsy Stoppage of Water, Incontenence of Urine, Bright's Disease, Albuminuria, and in all cases where they are brick-dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk, or there is morbid, dark, billious appearance, and white bone-dust deposits, and when there is a pricking, buaning sensation when passing water, and pain in the Small of the back and along the Loins. Price, $100.

WORMS.—The only known and sure remedy for *Worms —Pin, Tape etc.*

Tumer of 12 Years' Growth Cured by Radway's Resolvent.

HEVERLY, MASS., July 18, 1869.

DR. RADWAY:—I have had Ovarian Tumor in the ovaries and bowels. All the Doctors said "there was no help for it." I tried every thing that was recommended; but nothing helped me. I saw your Resolvent, and thought I would try it; but had no faith in it, because I had suffered lor twelve years. I took six bottles of the Resolvent, and one box of Radway's Pills and two bottles of your Ready Relief; and there is not a sign of a tumor to be seen or felt, and I feel beter, smarter, and happier than I have for twelve years. The worst tumor was in the left side of the bowels, over the groin. I write this to you for the benefit of others. You can publish this if you choose.

PATENT

ARION

PIANO

COMBINES MANNER'S FOUR

SIMPLIFYING PATENTS,

THE MOST VALUABLE PATENTS EVER USED IN PIANO-FORTES.

PATENT ARION.

REVERSED WOODEN AGRAFFE.

THE COMPOUND REST PLANK.

THE FULL IRON FRAME.

AND THE SUSTAINING IRON BAR.

A FEW REASONS

WHY THE

ARION PIANO

IS SUPERIOR TO ALL OTHERS:

The ARION PIANO-FORTE has greator power than any other Piano-Forte manufactured.

It will Stand in Tune Longer,

and in its mechanical construction it is more perfect, and, therefore, more durable, than any instrument constructed in the usual modern style.

The arrangement of the Agraffe, the manner of stringing, the peculiar form and arrangement of the Iron Frame

SUPERCEDES ALL OTHERS.

The use of a bar (which is a part of the Iron Frame on a line with the heavy steel stringing,) gives

GREAT STRENGTH

where most needed, and in this respect all other pianoes fail.

The construction of the WREST PLANK, into which the tuning Pins are inserted, is such that it is impossible for the pins to come loosened, or the Wrest Plank itself to split, as is too often the case in other Piano-Fortes.

The Extraordinary Evenness

throughout the scale, the excellent Singing Quality, the

LENGTH AND PURITY OF VIBRATION,

all go to prove what we claim, viz: that the

ARION PIANO-FORTE

Is the Best Instrument Manufactured.

ALSO

ESTEYS COTTAGE ORGANS,

WITH THE

VOX JUBILANT

AND

VOX HUMANA.

THE NE PLUS ULTRA OF

REED ORGANS,

universally acknowledged to be the BEST Organ made for Sunday Schools, Churches, Parlors and Lodges.

Having more power, with a sweeter tone, than any other Organ in the market notwithstanding the representations of agents interested in the sale of other Organs, *we do fully warrant every Organ for the period of five years, (at our own expense.)* We have no agent in Huntingdon at present, therefore all who may want one of the best Organs extant may receive, by corresponding with us, a price and descriptive list from which a selection may be made, to which we will give *our* personal attention, and guarantee satisfaction,
